**Science**

**Seasonal Changes**

- Name the four seasons in order and describe the typical weather in each.
- Name some activities and events in the four seasons.
- Describe the appearance of a tree's leaves in each season.
- Recall that summer has the most daylight hours and winter has the least daylight hours.
- Record data about the temperature across the four seasons.
- Label a map of the UK with capital cities and seasonal weather symbols.

**PSHE**

**Economic Wellbeing**

- Explain how children might get money.
- Explain some different ways to keep money safe.
- Discuss the role of banks and building societies.
- Recognise that people may make different choices about spending or saving.
- Explain that a range of jobs exist in and out of school and that different skills are needed for jobs.

**PE**

Year 1/2 will have PE twice a week.

We will be doing Games and Fitness and Health.

**Art/ D & T**

In art, children will be learning the skill of sculpture. Clay will be used to create seasonal trees and will be combined with paint to form a final piece.

In DT, children will design and make a model of a river, which they will present as their final piece.

**Music**

We will be working with the fantastic Preludes Music team this term. We will be learning about famous pieces of music from around the world and then creating pieces influenced by them.
