Sacraments

CST: How can we show we are responsible?

Maths

Fractions and Time

English

Reading

Word reading and comprehension skills will be taught through daily Reading lessons as well as at least once weekly 1:1 reading with an adult.

Please read every day at home!

English

Writing Outcomes:

We will be writing persuasive texts and information texts

Spelling

See weekly Spellings in reading folders and on class dojo's

Punctuation and Grammar

Prefixes, suffixes, adjectives, apostrophes

Handwriting

Forming letters correctly and beginning to join letters together. Focusing on descenders and ascenders.

Art and DT:

This term we will be focusing on the skill of sculpture. In art we will be using clay to create our own volcanoes. We will learn different joining techniques.

In DT we will be create a model of a river to link with our Geography topic.

Topic question:
Where can you find water near Bristol?

PE

Games

Please can children bring in a white PE top and black PE trousers.

Topic: Geography

- Identify and locate Bristol, rivers, and coasts on a map
- Describe the characteristics of rivers and coasts and compare them.
- Understand how rivers are formed and their journey to the coast
- Investigate a local river or coastal area and record observations
- Discuss the diverse wildlife that inhabit rivers and coasts
- Learn about conserving and protecting rivers and coasts

MFL - French

We are going to be continuing our weekly French lessons every Wednesday with Miss Bowen and Mrs Paasch. This term we will be focusing on nursery rhymes

Computing

Topic: Making music

- How music makes us feel
- Rhythms and patterns
- How music can be used
- Notes and tempo
- Crating digital music
- Reviewing and editing music

Music
